

## **Decolonizing Gender**

International Symposium in the Duke-Bremen-Amsterdam Series  
“Decolonizing the Humanities”

**INPUTS** University of Bremen, 10–12 June 2011

This will not be a traditional conference based on lectures. Instead, we are striving to create a working style of jointly thinking through and articulating (potentially) controversial positions in the context of our theme. The format of the workshop consists of four consecutive roundtable sessions. Sessions will be opened by the input of listed participants. Input should be limited to ten-minute interventions. We kindly ask you, based on your reading of the portfolio material, to address the key terms of the sessions from your respective perspectives.
